OVERVIEW

OBJECTIVES

The School of Education offers a master’s degree with a specialization in the field of Special Education. The program is designed to develop highly qualified, advance level professionals in Special Education who serve the Guam community and the greater Pacific region.

PROGRAM LEARNING OUTCOMES

Five Core Propositions underscored the accomplished teacher’s commitment to advancing student achievement. Together, the propositions form the basis of all National Board Standards and the Learning Outcomes for this program.

1. Assessment
   Special education specialists use valid and reliable assessment practices to minimize bias.

2. Curricular Content Knowledge
   Special education specialists use their knowledge of general and specialized curricula to improve programs, supports, and services at classroom, school, community, and system levels.

3. Programs, Services, and Outcomes
   Special education specialists facilitate the continuous improvement of general and special education programs, supports, and services at the classroom, school, and system levels for individuals with exceptionalities.

4. Research and Inquiry
   Special education specialists conduct, evaluate, and use inquiry to guide professional practice.

5. Leadership and Policy
   Special education specialists provide leadership to formulate goals, set and meet high professional expectations, advocate for effective policies and evidence-based practices, and create positive and productive work environments.

6. Professional and Ethical Practice
   Special education specialists use foundational knowledge of the field and professional ethical principles and practice standards to inform special education practice, engage in lifelong learning, advance the profession, and perform leadership responsibilities to promote the success of professional colleagues and individuals with exceptionalities.

7. Collaboration
   Special education specialists collaborate with stakeholders to improve programs, services, and outcomes for individuals with exceptionalities and their families.

COHORT SYSTEM

The graduate special education program is offered using the Cohort System. A maximum of 15 students may enroll in one of three Cohorts each year (June, August and January).

There are six terms each year:

- Term 1 and 2 (Fanuchånan Semester 2-8 week sessions)
- Term 3 and 4 (Fañomnåkan Semester 2-8 week sessions)
- Term 5 and 6 (Finakpo’ Sessions 2-4 week sessions)

Classes are generally held on weekends in the Fanuchånan and Fañomnåkan, and on weekdays during the Finakpo’. Students will meet the requirements for GCEC Special Education Certification (K-12) and may complete the Master of Education in six terms (12 months).

All students seeking teaching certification must pass the PRAXIS CORE: Reading, Writing & Math, PRAXIS II – PLT (level determined by student) and PRAXIS II (0354-Special Education) examinations as required by GCEC. Those students seeking the Master of Education must pass the PRAXIS II (0354-Special Education) examination.
and complete the NCATE approved Electronic Portfolio to meet the Comprehensive Examination requirements. Additional coursework and internship may be required depending on the applicants’ background. Students seeking teacher certification should obtain a GCEC Teacher Certification Evaluation before developing a program of study.

**DEGREE REQUIREMENTS**

**SPECIFIC PREREQUISITES**

Students wishing to be admitted to this specialization must have an earned baccalaureate degree in Education. Students with non-education baccalaureate degrees with teaching experience may also be admitted, however those with no teaching experience will be required to take nine hours of undergraduate coursework prior to enrolling in the program. The program chair must approve the program of study (“Graduate Program Entry” form) prior to the start of the program for all students.
