

## WELCOME MESSAGES

### A MESSAGE FROM THE PRESIDENT

---

#### ***Håfa Adai, Tritons!***

It is with great pride and optimism that I welcome you to the 2025–2026 academic year at the University of Guam. Each new year presents an opportunity to reflect, to innovate, and to take bold steps toward the future we are building together. Whether you are a new student joining the Triton family or a continuing scholar advancing in your studies, you are part of a community that leads with purpose and serves with heart.

As we move forward under the University's strategic plan, *Tulos Mo'na: Navigating 2024–2029*, our mission remains clear. We are called to prepare leaders who think critically, act ethically, and create solutions that improve lives across Guam and Micronesia. This year, we continue to embrace innovation in teaching, research, and service; we aim to expand opportunities for collaboration, sustainability, and digital transformation; and we reaffirm our commitment to student success and academic excellence.

Within these pages, you will find a guide to the programs and opportunities that define your academic journey. Each course, certificate, and degree represents more than a credential—it is an invitation to grow as a thinker, a problem-solver, and a changemaker.

Our university thrives on the strength of its people. Through the values of *Inadahi yan Inagofli'e'*, which calls us to care for ourselves, others, and the world around us, and to move forward in harmony as a community, we nurture a diverse and inclusive learning community that celebrates culture, encourages dialogue, and empowers every Triton to reach their highest potential.

As we navigate this era of rapid change, I invite you to be curious, courageous, and creative. The progress of our island and region will be shaped by those who think boldly and act with purpose, and at the University of Guam, we are charting that course together.

Thank you for choosing to be part of the Triton family; may this academic year be one of discovery, perseverance, and success. Biba UOG!

*Senseramente,*

**Anita Borja Enriquez, DBA**  
President
