## LIBRARY SCIENCE PROGRAM

---

### OVERVIEW

### PROSPECTUS

Courses in Library Science are offered periodically. Library Science courses are designed to meet the school librarian certification requirements of the Guam Commission of Educator Certification (GCEC). The primary objective of the courses is to prepare school librarians who will be knowledgeable in all main areas of librarianship and who will be able to develop, promote, and administer effective school library programs. The courses will lead to Professional I, School Library Certification on Guam. These courses are in addition to requirements for teacher certification. School librarians on Guam must also meet teacher certification requirements. The current requirements for GCEC School Librarian Certification are 24 semester hours.

Check the GCEC website (<https://gcec.guam.gov>) for current requirements.
