ADVISEMENT

ADVISEMENT AND DECLARATION OF MAJOR

(Board of Regents Resolution No. 19-14)

Academic advisement is mandatory for all full- or part-time students, transfer students, and high school advanced placement students. The signature of a designated advisor is required to complete the registration process.

The following are the five categories of undergraduate students and who their designated advisors are:

If you are:	Your advisor is:
Undeclared with less than 30 credits	EMSS counselors or college advisors if you are undeclared in a college.
Declared with less than 60 credits	College advisors for the major you have declared or program you are in.
Undeclared and a transfer student	EMSS counselors
Declared and a transfer student	College advisors if declared or undeclared in a college.
Declared and not covered by any of the above	Academic major faculty advisors in the college/school, as assigned by the dean.

As a requirement for graduation, academic evaluation must be requested from the Records Office once 60 credits or approximately half of the required credits for graduation have been completed. (See Degrees: Requirements and Regulations). Unofficial Evaluations of a student's program are available anytime through WebAdvisor. Should the students or their advisors

discover that their records are incomplete, the registrar will assist the advisor in bringing the academic records up-to-date.

Declaration of Major

A student must declare a major by the beginning of the sophomore year (30 credits). Students who transfer to UOG with more than 30 credits must declare a major by the beginning of their second semester at UOG.
